ST. DAVID'S EPISCOPAL CHURCH

MEMORIAL GARDEN
AND LEGACY FUND

MEMORIAL GARDEN

POLICIES, PROCEDURES AND CONTRACT

PURPOSE

The Memorial Garden is dedicated as a place of repose for the cremated remains of members, former members, family of members or friends of St. David's Episcopal Church. Cremated remains are buried in St. David's Memorial Garden. The use of urns, permanent niches or a columbarium is not permitted. The garden itself becomes the memorial rather than the exact place where the ashes are buried.

Records of individuals whose ashes are interred in the Memorial Garden are kept by the Church Office.

INTERMENT FEE

A nine hundred dollar (\$900) fee is requested at the time of interment. This fee is placed in the St. David's Legacy Fund whereby the monies will be held for the sole purpose of the Memorial Garden. If the \$900 fee would cause undue hardship on the family, the Rector should be consulted. This fee may also be pre-paid. Pre-paid contracts will be honored if the interment fee ever increases.

RESPONSIBILITY

The Memorial Garden is at all times subject to the management of the Vestry of St. David's Episcopal Church. While general oversight is held with the Vestry, the Board of Trustees of St. David's Legacy Fund is vested with the right to control the maintenance and use of the Memorial Garden. The terms of any agreement with respect to such maintenance and use may be changed, modified, varied, amended or altered at any time at the

The right granted to use the Memorial Garden shall continue only as long as the present church edifice stands and the same is owned by St. David's Church. In the event of the demolition or sale of such edifice, the Vestry will use all reasonable care to preserve the sanctity of this ground, records and cremated remains.

A minimum contribution of \$250 will be required to provide a brass plaque for those whose ashes are not interred in the Garden.

A contract (which follows) must be signed prior to the interment of ashes in the Memorial Garden. Whichever form is applicable should be completed and returned as noted.

DONATIONS TO ST. DAVID'S LEGACY FUND

The St. David's Legacy Fund was established by the Vestry of St. David's Church to receive bequests and/or contributions to support the mission and ministries of the parish. Gifts of monetary contributions, stocks, bonds or other personal or real property are accepted with guidelines approved by the vestry.

Legacy Fund contributions may be made by anyone and for any amount either as a gift, thanksgiving or memorial. Arrangements may be made by will during a person's lifetime designating a bequest to St. David's Legacy Fund from an estate or naming the Legacy Fund as the beneficiary in a life insurance policy. Often the family of the deceased will suggest that contributions be sent to St. David's Legacy Fund in lieu of flowers.

The donor of a monetary gift may suggest a particular purpose for donations received. Any such restrictions must be approved by the Vestry. Gifts of personal or real property must also be approved by the Vestry.
